

Eagle Tree Systems, LLC Announces SAE Aero Design Sponsorship

Eagle Tree Systems is excited to sponsor competitors in the 2007 Aero Design Competition. We are offering a 20% discount on all of our non-custom equipment for competitors in this event!

Our high quality, low cost wireless telemetry and data logging products are tailored to RC/UAV measurement, and are extensively expandable, making them perfect for getting the competitive edge.

Here is a link to information on the eligible products:

<http://www.eagletreesystems.com/guide/productguide.pdf>

Here is a link to the non-discounted prices:

<http://www.eagletreesystems.com/press/pricelist.pdf>

To receive your discount, first fill out the below information, and email it to sales@eagletreesystems.com, or fax it to 1-425-484-4131. Once approved, further ordering instructions will be provided.

Thanks, and good luck with event!
